### Features

Why waste precious hunting time with long treks through the woods to get to your stand only to find it damaged and unusable? Simply drive your vehicle to your favorite “HOT” spot, set up the Tow Tower™ and climb aboard – it is that simple!

Never leave your vehicle unattended again, no worries that someone has vandalized your stand, you’ll never get turned around or lost in the woods.

You can hunt longer and know that the safety and comfort of your vehicle is always just a few seconds away.

Order your Tow Tower hunting stand today! Stand for something!
